### **Tips :**

- Most foreign nationals must have a passport with at least 6 months validity after the date of the return flight and a Cambodian visa.

- It's very easy and advisable to obtain visas electronically without having to go to a Cambodian embassy or consulate. You can also obtain your visa on arrival by paying 30 USD with a photo, but it takes time!

- Book your flights as soon as possible.

- There is no need to buy country's currency: the dollar is everywhere admitted as a second national currency; it is even more used than the riel whose rate is 1 USD = 4 000 riels.
