National Representative Team Train-on Squad – Expression of Interest

1. General Overview

Pétanque Federation Australia is committed to selecting the best team available to compete in international events. To ensure that PFA is aware of those players who are available for Representative Teams, players are invited to express their interest in participating. This expression does not guarantee selection.

This form is provided to enable players to express their interest in representing their country.

2. Eligibility

Players holding a current National License, and have held the license for more than six months, are eligible for selection in a National Representative Team. If the player is not a citizen or permanent resident of Australia, they must have held their National license for 3 (three) years and for 5 (five) years if he or she has already played for another country in an international competition, such as a world championship, a confederations world cup, a continental championship, world games, or a multisports event.

3. Expressions of Interest

Pétanque Federation Australia invites suitably qualified players to complete the following Expression of Interest.

I, _____,
 a player holding a current National License (License Number: _____) with
 _____ Petanque Club,
 express my interest in participating in the Petanque Federation Australia Representative Team Train-on Squad.

4. Terms of Expression of Interest

In expressing my interest, I:

- 1 Am aware that participation in any event that is not sanctioned by PFA, may jeopardise selection for a representative team,
- 2 Agree to participate in the required training program determined by the Australian Representative Coach,
- 3 Will complete a player profile that includes competition preferences and availability,
- 4 Commit to attend any competition that I have indicated I am available for,
- 5 Acknowledge that I accept responsibility for the cost of travel, accommodation, meals and other expenses not provided by the host country or PFA,
- 6 Agree to be at the competition venue for team meetings and team practise the morning before the start of the competition as specified by the Australian Coach or Team Manager,
- 7 Am aware that I must, and agree to, meet all of the visa and entry requirements of the host country for any overseas competition, and
- 8 Accept that should I decline an offer for selection or withdraw from a team after selection, I may be ineligible for team selection for a period of two years.
